Source instructions

A cute 2 color flower motif, if you've got a project on the go add some of these to give it some style.

Simple, quick and easy to make with just 3 pattern rows, I've used a 5.00mm hook and worsted weight #3 yarn for the sample, but you can make it bigger or smaller by using different plys and hook sizes.

Use up your scraps of yarn, these are ideal to put on bags, purses, washcloths, throws or anything around the home.
