No physical crochet sample has been tested for this edition. Check the original source for updates and corrections.

Source instructions

This curved edge flower is an easy and quick design I am sure you will love.

Crochet flowers are great if you want to whip up a small project fast, they are perfect if you need to make adornments for small items or if you make a few of them and join together they can be put on large items too.

Use for T-Cozies, hairbands, hair clips, baby cardigans, garlands or just for fun!!
