This reading edition lays out the published web instructions and available source images for printing. Original creator credits and source wording are retained. It is not the creator's original ad-free PDF.

No physical crochet sample has been tested for this edition. Check the original source for updates and corrections.

Source instructions

This large throw pillow cover can be made to be put on your bed, floor, large chair or just to cuddle up to.

I have made the sample in cream colored yarn with wooden buttons, but a more vibrant color and contrast buttons would look good too.

It’s an easy stitch pattern so even if you are a beginner crocheter you can give it a go, (impress your friends). Hope you enjoy!
