Source instructions

A crochet stroller blanket for your little one or make to give at baby showers or as a gift for family and friends new arrival, made in a pretty textured stitch in a print yarn with a plain color in between.

As I have used a large hook size to make this blanket it crocheted up quite quickly and also gave it a lovely soft feel. The free crochet pattern for this adorable design is in UK and USA format at the bottom of the page, just scroll down to get it.
