Crochet Thermal Hotpad Pattern

- Easy single crochet design, that creates a thick texture, use to protect your work tops and tables from hot pans and dishes.

Disclaimer: This site contains affiliate links. If you make a purchase after clicking on an affiliate link, I may receive a small commission (at no extra expense to you) I used a worsted weight #4 (aran) variegated cotton yarn to add some colour and more thickness to it , it was really easy to crochet and I made it in no time at all.
