Source instructions

Hello September! Autumn has arrived in some parts of the world while it's still sunny with rains in between here in South India. Not complaining though as I love bright days. I received lots of love for this rainbow bee that i posted on instagram and many have requested for the pattern. I'm finally done with the editing and here it is! Read below to know how to make these cuties.

Please note: This pattern is for personal use only. Please don't copy, reproduce, alter, distribute or sell the pattern in any way.

You can sell the finished products made from this pattern but kindly credit me as designer and link back to this post. You can buy the ad-free printable version of this pattern with step by step instructions with lots of pictures from my Etsy shop. I'm also having a shop sale on Etsy so you can use this opportunity to grab my patterns at 15% off till 12th September, 2021.
