Sew the ears to the head using a yarn needle and the long yarn tails from the ears.

Use black yarn to sew facial details like the mouth and whiskers.

If you haven’t already, sew the legs, tail, and arms to the body.

Make sure the body and head are stuffed well and sew them together.

After sewing the head to the body, you can take the rest of the body’s yarn tail (or cut new yarn) to wrap around the neck a couple times before weaving in the ends.

Lastly, sew the bow over an ear. And that's it! Congratulations on finishing your sweet Kitten Pixie!
