(Scroll down for the free pattern!) Uses There are many ways to make use of this pattern, such as: Keychain : add a keyring to turn it into a little backpack buddy instead of a hanging ornament!

Home decor : hang it from the ceiling, to a door knob, on a lamp, or more!

Car rearview mirror ornament: hang it from the rearview mirror for a nice yarny touch!

Gift : last-minute birthday gift, holiday gift, or stocking stuffer Party favors : make one for each party attendee in a Big Hero 5 themed party!

Craft fair product : sell it at handmade craft markets. This is a great market prep pattern to work up because it's quick, easy, and no-sew.

Random Acts of Crochet Kindness: hide them around in the community with a little message as gifts to whoever finds them! You can also make these for charity.

Yarn I designed Baymax using velvet chenille yarn and a 5mm hook. It's super squishy and soft! My recommended plush yarns would be Hobbii yarn (Honey Bunny , Toucan , or Baby Snuggle). Of course, you can also try thinner yarns or other types of fibers to create a different look. For instance, worsted medium weight 4 yarn (e.g., Lion Brand Heartland , 24/7 Cotton Yarn , Brava Worsted or Caron Simply Soft) and a smaller hook (2.75mm) will produce an extra-tiny doll.

PDF Pattern The PDF pattern is printable, ad-free, easy to read, and helps support Sweet Softies!
